NOTE: I am able to learn anything by ear. Because of that, my song catalogue is infinite. If you don't want to request anything specific, I can also improvise and jam to your favourites on the spot. Just let me know what would make your event unique and memorable!

ADDITIONAL NOTE: This song list applies to myself as a soloist. If you're wanting a duet, trio or quartet, repertoire will vary. With any additional musicians, I cannot guarantee that everything on this list will be available for performance. Please reach out in advance to see if your requests can be reasonably accommodated.
